'87

We've Got It!

Unique! We have unique bonds between us, through our closeness to each other for many years. We have the abilities to welcome new comers with open arms and friendship.

We have unique winning sports teams. Our Baseball and Track teams both excelled in the South Shore league competitions. All our sports are unique from our T.C.B. Football team to our tremendous effort put in by the Field Hockey team.

Our uniqueness stands apart from the rest.

Spirit. Through our spirited rallies for homecoming and our support rallies for our winning Baseball team. We have a spirit that is unique to East Bridgewater High School.

The spirit our school has brings us through both our wins and our losses.

Our spirit stands apart from the rest.

See It Through

When you're up against a trouble,
Meet it squarely, face to face,
Lift your chin and set your shoulders,
Plant your feet and take a brace.
When it's vain to try to dodge it,
Do the best that you can do;
You may fail, but you may conquer,
See it through!

Black may be the clouds about you,
And your future may seem grim,
But don't let your nerve desert you;
Keep yourself in fighting trim.
If the worst is bound to happen,
Spite of all that you can do,
Running from it will not save you,
See it through!

Even hope may seem but futile,
When with troubles you're beset,
But remember you are facing
Just what other men have met.
You may fail, but fall still fighting;
Don't give up, whate'er you do;
Eyes front, head high to the finish.
See it through!

Edgar A. Guest

BRIAN ROBERTS

. . . This is the time to remember
Cause it will not last forever
These are the days
To hold on to
Cause we won't
Although we'll want to
This is the time
But time is gonna change
You've given me the best of you
And now I need the rest of you

Did you know that before you came into my life
It was some kind of miracle that I survived
Someday we will both look back
And have to laugh
We lived through a lifetime
And the aftermath

This is the time to remember
Cause it will not last forever
These are the days
To hold on to
Cause we won't
Although we want to
This is the time
But time is gonna change
I know we've got to move somehow
But I don't want to lose you now

from "This Is The Time" — Billy Joel

Although our senior year is soon coming near
We'll never forget our Junior year.
We sold candy that was dandy
And made a float that should have won the vote.
We had a prom that turned out well
And to '87 we say farewell.

SOPHOMORES

CLASS OF 1989

Our Freshman year was a blast!
Sophomore year is here at last.
Our year began with lots of fun
'Cause our float was #1.

Our fund-raiser brought us lots of cash,
And our Christmas Dance was a bash!
The girls were dancing, the guys were too
All too soon the night was through.

The Twelve Days of Christmas decked our hall;
While we strung snowflakes we had a ball!
A tie with the Juniors was accepted with cheer
This recognition topped the year.

Our BBQ will soon be here
And that will end our sophomore year.

SCAVENGERS

As Xmas 1986 grew close baby Jesus had disappeared, maybe as a gift. No, it wasn't a gift, it was on the list, The Scavanger Hunt list. "Seniors Only" scavengered for many items hoping to be the winning team, hoping not to get in trouble. Many students no longer knew the speed limit in the high school parking lot. The signs had disappeared. No place to put the trash, the Blue & Gold barrels had disappeared. The cows became nameless, the tags had disappeared. Why was there a shortage of certain items at CVS? And why were so many public bathrooms without needed fixtures ? Where did all these items go ?

An experience that is used to cease,
Lines that keep us from being together.
With the aspiration of global peace,
Peace that will last today and forever.
An experience, international,
Which makes families proud and delighted.
An exchange which is intercultural,
That brings the world closer and united.
Students who will trade father and mother,
For a foreign family who will care,
Enough to be a host sister or brother,
With whom their joys and sorrows they will share.
Having an international type friend,
Is having a foreign friend to the end.

The SADD chapter of E.B.H.S. was started three years ago. It has grown to involve more and more students with the most important issues in our high school. We have strived to make the students aware of the dangers of drinking and driving. Our activities included assemblies throughout the year and especially at prom time.

TORCH

Advisor Nick Paone

Computer Specialist Leanna Russell

The 1987 Torch Staff got off to a great start in the spring of '86 with our first ad drive. When the '86-'87 school year began, the group jumped to work with no delays. 1987's Torch Staff designed a yearbook with a contemporary style and unique touches. We also picked a new photographer from McGrath's Studios who added new touches and picturesque photos that say a thousand words in each shot.

The Torch experienced a major setback partway through the year, but the staff managed to get back on our feet and produce what we feel is one of the most interesting yearbooks ever completed by a Torch staff.

We wish to give special thanks to Mr. Paone, Mrs. Russell and Mrs. McGrath for all their help on this year's Torch. Without their help, none of this would be possible.

BASEBALL

1986 Vikings Baseball

The 1986 Viking Baseball Team had its third consecutive successful season, finishing with an overall record of 13-8 and a trip to South Sectional Finals of the state tournament. On the way to the Finals, the Vikings, seeded seventh in an eight team tournament, knocked off the number 2 and 4 seeded teams to meet number 1 Norton. There were many stars during the 1986 baseball season. Eamon Kingman finished off an averaging 4 year career by batting over .500, making his third consecutive All-League Team, and being chosen for the first-ever Brockton Enterprise ALL Scholastic Baseball Team. Junior Ted George continued his winning ways with an 8-3 record, giving him 16 wins on the mound over the past two years. Seniors Mark Marson, Jay Gillespie, All-League catcher Bruce Denneen, and Tom Williams will leave big holes to fill for next year's team.

The 1986 Viking Softball team came one game short of the tournament this year. In the games that they have experienced, they have learned that there is more to Softball than winning. They have learned that memories of good times together last longer. With the help of a dedicated Coach and the hard work and determination of the players, they are sure to be tournament bound in "87." Michelle Holmes

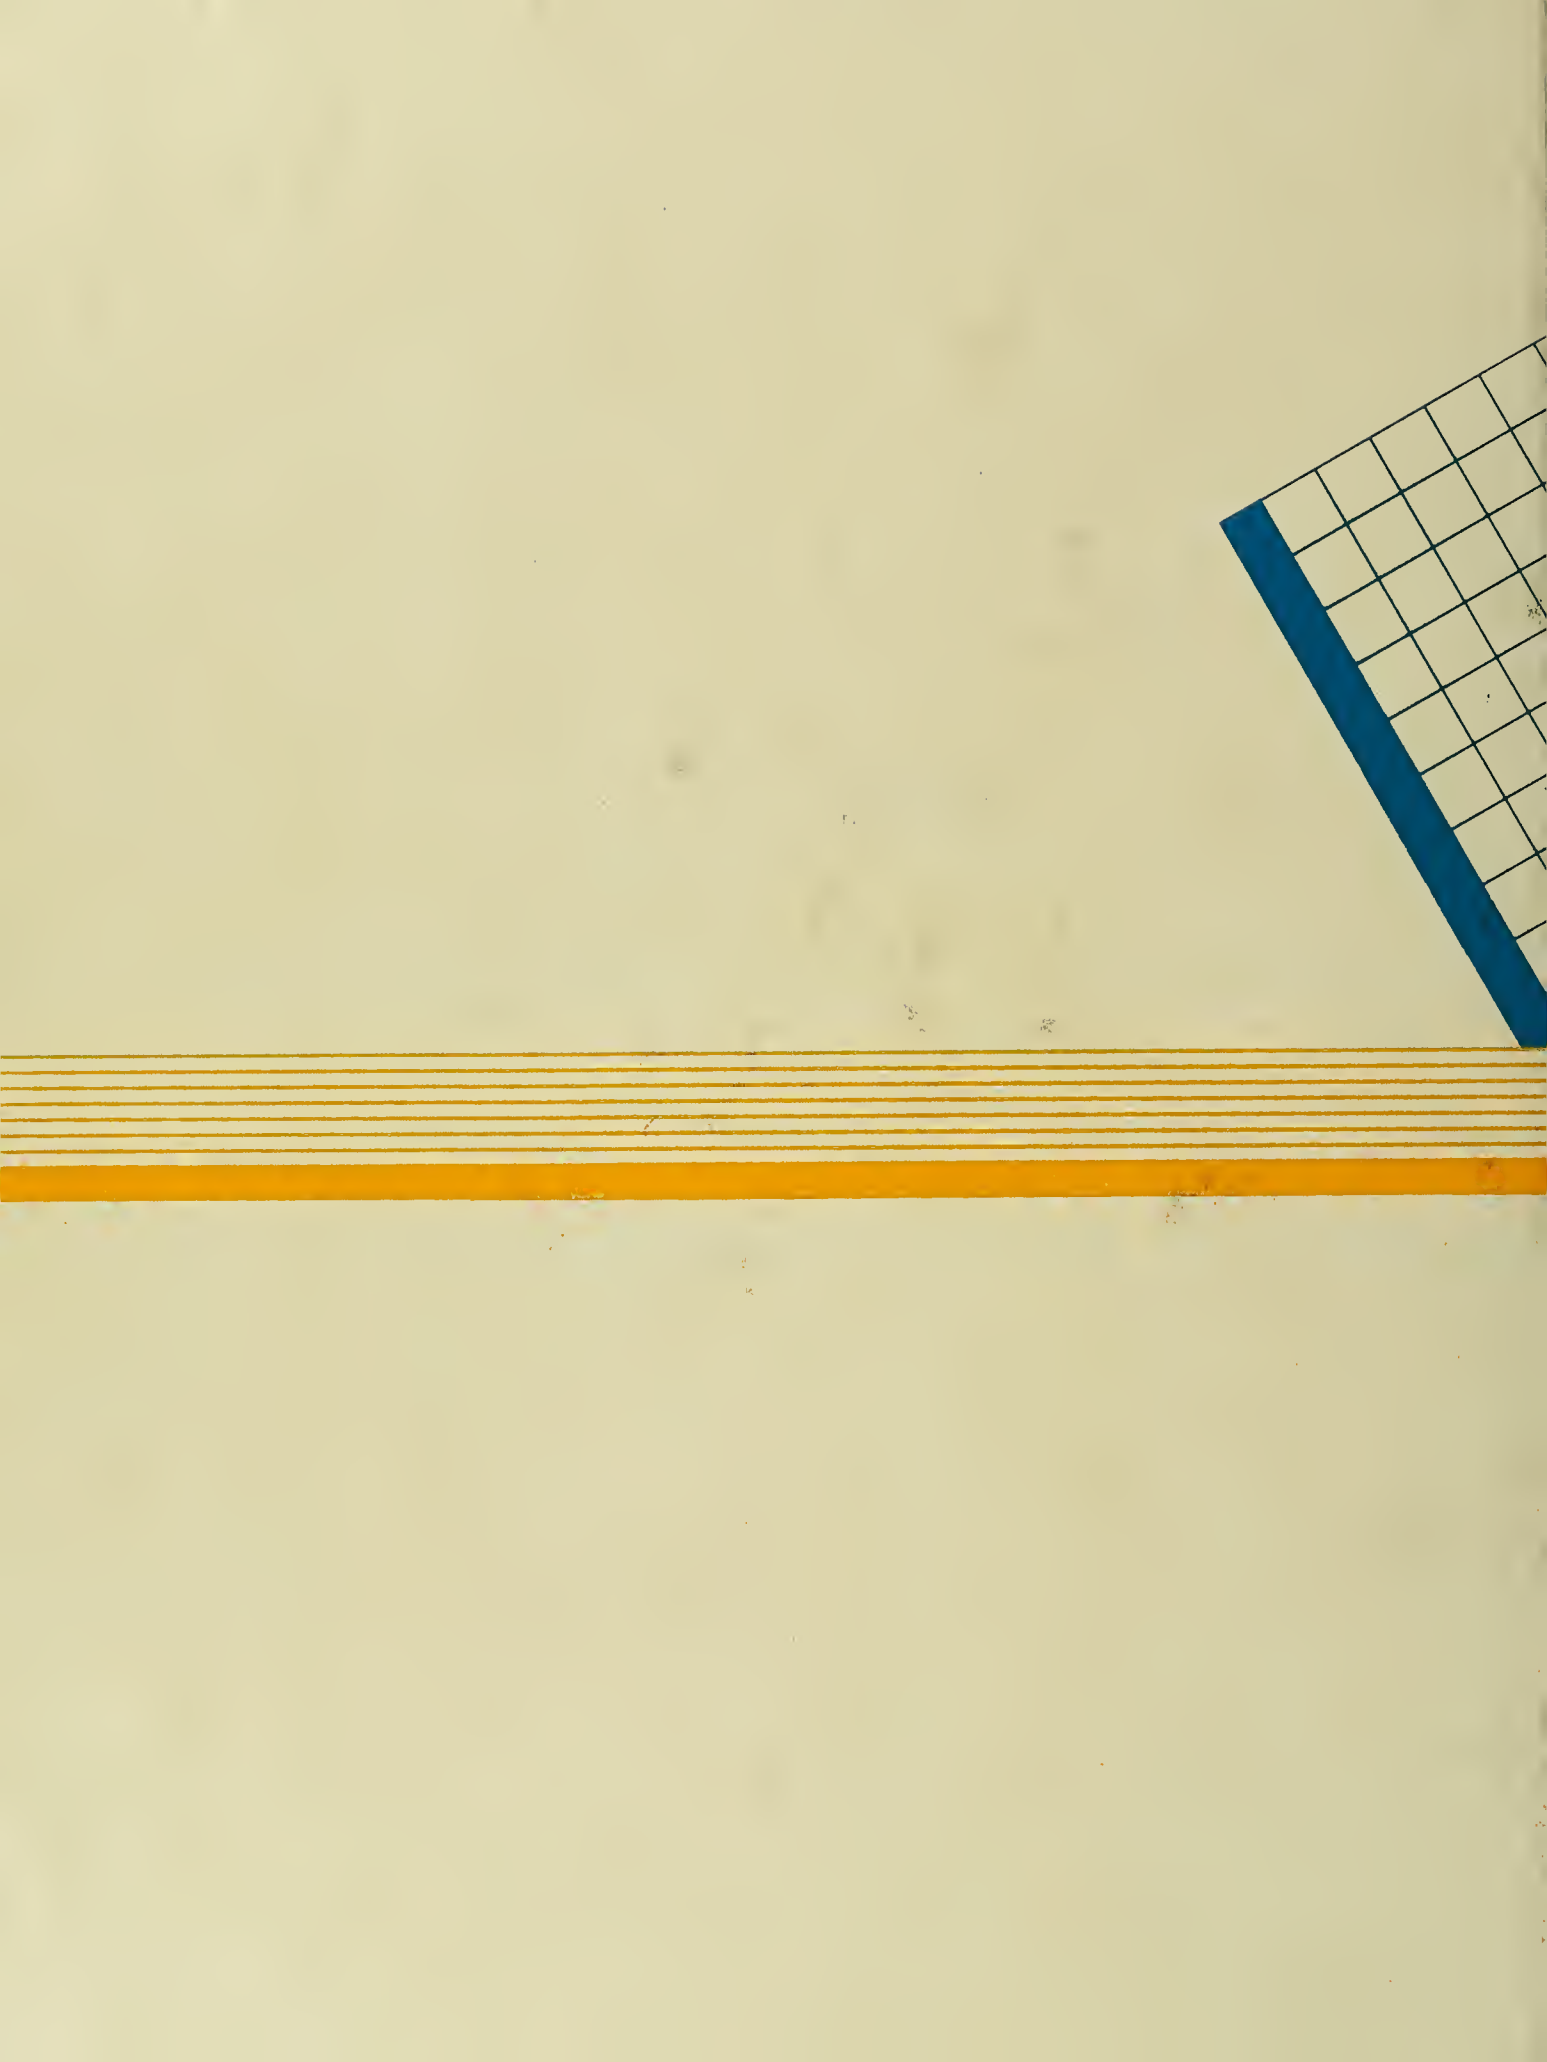
My Friends:

No one, not in my situation, can appreciate my feelings of sadness at this parting. To this place, and the kindness of these people, I owe everything . . . I now leave, not knowing when or whether ever I may return, . . . Without the assistance of that Divine Being, . . . I cannot succeed. With that assistance, I cannot fail. Trusting in Him who can go with me, and remain with you, and be everywhere for good, let us confidently hope that all will yet be well. To His care commending you, as I hope in your prayers you will commend me, I bid you an affectionate farewell.


(Abraham Lincoln — February 11, 1861)
